- (2) If an objection to the Agency's application is lodged with the Court within the period referred to in *section 65(1)* the Court, having, if is required under *section 65*, considered the objection, shall make an order referred to in *subsection (1)* if the Court is satisfied that—

 - (d) it is just and equitable in all the circumstances to make the order.
- (3) The Third Schedule (other than Article 4, paragraphs (1) to (4) of Article 5 and Article 5(5)(d)) to the Act of 1966 applies to an acquisition order, as it applies to a compulsory purchase order under that Act, subject to the following and any other necessary modifications:
- (a) references to a housing authority or an authority shall be construed as references to the Agency;
 - (b) a reference to the Minister shall be construed as a reference to the Court in the performance of its functions under this Part.

Notice to treat

67. (1) Where an acquisition order has been made, the Agency shall give a notice (referred to as a notice to treat) to every owner, lessee and occupier of the land (except tenants for a month or a shorter period).
- (2) A notice to treat given under *subsection (1)* shall—

 - (ii) if the Agency so requires, to distinguish separate amounts of the compensation referred to in *subparagraph (i)* in such manner as the Agency specifies in the notice to treat and show how each such amount is calculated.
- (3) A notice to treat given under *subsection (1)* shall be taken to be a notice to treat for the purposes of the Act of 1919.

Agency's power to take possession

68. (1) The Agency may, subject to *subsection (2)* enter on and take possession of land to be acquired under this Part at any time after the making of an acquisition order and before the latter of either of the following occurring—
- (a) determination of compensation under *section 69*, or
 - (b) the making of a compulsory transfer order.

- (2) The Agency shall not enter on or take possession of land under this section without giving the occupier and, if the occupier is not the owner of the land, the owner at least 14 days' notice in writing of its intention to do so.

Determination of compensation

69. (1) The amount of compensation to be paid by the Agency for the land shall, in default of agreement, be fixed under and in accordance with the Act of 1919.
- (2) Sections 63 and 69 to 79 of the Act of 1845 apply to the price and, subject to *sections 70 and 72*, to the land acquired and for the purpose of the application of those sections a reference to the promoters of an undertaking shall be construed as a reference to the Agency.
- (3) If the Agency exercises its power to enter and take possession under *section 68*, the Agency is liable to pay compensation as if the provisions of the Act of 1845 relating to entry on land had been complied with and to pay interest upon that compensation, from the date of entry until the later of either of the matters referred to in *paragraphs (a) and (b) of section 68(1)* occurring, at the rate applicable to compulsory purchase orders by local authorities in accordance with the provisions of the Act of 1966.

Court may make compulsory transfer order

70. (1) On an application in that behalf by the Agency and where the Agency has entered on and taken possession of land in accordance with *section 68* and the Court is satisfied that—
 - (a) any estate or interest in the land has not been conveyed or transferred to the Agency,
 - (b) it is necessary, in connection with the purposes for which the Agency has been authorised to acquire the land compulsorily, that the acquisition of the land should be completed, and
 - (c) the Agency has made an offer in writing to each person having the estate or interest concerned who has furnished to the Agency sufficient particulars of that estate or interest following a request by the Agency under *section 61* to enable the Agency to make an offer for it,the Court may make an order (in this Part referred to as a “compulsory transfer order”) vesting the land in the Agency subject to any terms and conditions that the Court thinks fit.
- (2) Where after the Court, having considered the matters referred to in *subsection (1)* makes a compulsory transfer order, the Agency shall within seven days after having received notification from the Court of the making of the order—
 - (a) publish in a newspaper circulating in the area of the land to which the order relates a notice stating that the order has been made, describing the land and naming a place, including its website, where a copy of the order may be seen at all reasonable times, and

- (b) give to every person appearing to the Agency to have an estate or interest in the land a notice that the order has been made and the effect of the order.

Agency to inform Revenue Commissioners if certain liabilities exist

71. Where the Agency becomes aware, before the making of a compulsory transfer order, that a person from whom an estate or interest in the land is to be transferred by the order is subject to a liability for estate duty, succession duty or inheritance tax, the Agency shall notify the Revenue Commissioners of the Court's intention to make the order.

Form and effect of compulsory transfer order

72. (1) The Court shall cause a compulsory transfer order to have attached to it a map identifying the land to which it relates.
- (2) A compulsory transfer order shall operate to vest in the Agency the land specified in it in fee simple free from encumbrances and all estates, rights, titles and interests of whatever kind (other than any public right of way) with effect from a date (not earlier than 21 days after the making of the order) specified in the order.
- (3) (a) The Agency shall cause a compulsory transfer order to be lodged with the Property Registration Authority under the Registration of Title Act 1964.

- (2) A person who suffers loss by the vesting, by virtue of *subsection (1)*, of a right or easement in the Agency is entitled to be paid compensation by the Agency.
- (3) Compensation payable under *subsection (2)* shall be determined under and in accordance with the Act of 1919.
