EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

These Regulations provide for ancillary matters arising from the insertion by the Social Welfare (Covid-19) (Amendment) Act 2020 (No. 12 of 2020) of provisions dealing with the Covid-19 pandemic unemployment payment into the Social Welfare Consolidation Act 2005.

The Regulations provide that as respects the prescribed time for making a claim for Covid-19 pandemic unemployment payment and the circumstances under which late claims may be accepted, the same provisions will apply as apply to jobseeker's benefit.

The Regulations also provide that where a decision made by a Deciding Officer relates to

- the non-approval of a claim for the Covid-19 pandemic unemployment payment, or
- the rate at which the Covid-19 pandemic unemployment payment is paid is less than the maximum rate,

the claimant must be advised of the decision in writing and the reasons for that decision.

Finally, the Regulations specify the social welfare payments which may be paid concurrently with Covid-19 pandemic unemployment payment.
